2nd August 2021

Sub: Vaccination for students as a part of preparedness plan for offline mode of conduct of classes for Grades 6-12 from September 2021.

Dear Parents,

Greetings from IIS Buraidah!

As a part of our preparedness plan for reopening of the school in September 2021 with physical attendance of the students (provided the school gets directions/instructions from Ministry of Education and Ministry of Health), you are advised/informed to get your ward vaccinated with Covid-19 vaccine and complete both the doses of vaccines before the school reopens.

The offline classes for Grades 6-12 will be started only after getting confirmation from MOE and MOH.

In case of offline classes, it will be mandatory that students and staff must have completed both doses of vaccine for entry into school campus.

The school will keep you updated on any instructions/announcements from concerned authorities in this regard.

Your cooperation in this regard is solicited.
