

INTERNATIONAL INDIAN SCHOOL BURAIDAH

Ref: CIR/IISB/PAR/19/2021

30th August, 2020

Dear Parents,

This is to inform you that CBSE has introduced Two Levels of Mathematics for All India Secondary School Examination (Class X). The two levels are designated as **Mathematics Basic (241)** and **Mathematics Standard (041)**. The nomenclature for the two examinations will be: **Mathematics-Standard** for the existing level of examination and **Mathematics-Basic** for the easier level of examination.

The syllabus, classroom teaching and internal assessment for both the levels of examination would remain the same, so that the students get an opportunity to study the whole range of topics throughout the year and are able to decide upon the level of Board Examination depending upon their aptitude and abilities.

Also be informed that once the Level gets registered with CBSE, later it cannot be changed.

In case of failure in	Compartment Options
Mathematics – Basic	Mathematics – Basic
Mathematics – Standard	Mathematics – Standard or Mathematics – Basic

A student, who qualifies the Mathematics-Basic, shall be given an option to appear in Mathematics-Standard at the time of Compartment Exams as per the norms of the Board, in case he/she changes his/her mind to pursue Mathematics at Senior Secondary Level

Students who have passed Mathematics-Basic (241) at Secondary level are not eligible to opt for Mathematics (041) at Senior Secondary Level.

Hence, we request to submit the option for their wards to the respective Class Teachers on or before 4th September 2020 to avoid any further delay in submission of LoC to CBSE Board.

Dr Mohamed Jameeluddin Iqbal
