Cyber Awareness Creation at National level

Ref: CIR 13 – PAR – Cyber Awareness Creation 2024

17th May 2024

Dear Parents,
Greetings of the Day!

The following circular was received from the CBSE. This is for the Students and Teachers of IISB.

The Ministry of Electronics and Information Security (MeitY) has approved the project entitled 'Information Security Education and Awareness (ISEA) Project' towards human resources development for safe, trusted and secure cyber space. The project is to be implemented through 50 premier academic institutions (IITs/NITs), autonomous organizations of MeitY (C-DAC/NIELIT) and Technical Universities in a hub-n-spoke model to facilitate co-operation of knowledge, courses, tools, products/ solutions and cyber awareness.

As part of ISEA project, a series of National level Cybersecurity Online Awareness Webinars are planned regularly, covering a spectrum of Cybersecurity subjects as follows:

Date: 17.05.2024; Time: 3:30 pm to 4:30 pm

Registration Link: <https://digitalnaagrik.isea.app/event?path=ech>

The Students and Teachers of IISB are advised to participate in the program.

Best Regards!

Principal
