

**Topic: Analytical Paragraph Writing**

An analytical paragraph is a form of descriptive writing which is written on the basis of a given chart, graph, data, outline, clues, table, etc. When **writing an analytical paragraph**, one should remember to describe the facts in the best possible manner and to cover the information provided.

The **analytical paragraph** has to be written in around 100-120 words. So the paragraph must use clear and crisp language along with providing complete details of the chart given in the question. There will be an internal choice given.

**The pie chart shows the proportion of people from different households living in poverty in the UK in 2002. Write an analytical paragraph to describe the information in 100-120 words.**
