### **SECTION-A**

#### **(READING AND WRITING)**

##### **A. Read the passage carefully and answer the following questions:**

What do you eat for breakfast? A good breakfast is an important part of staying healthy and active. Your body requires the energy you get from food. It uses that energy to help you grow, move, and think. When you eat a healthy breakfast, your brain works better. You can focus in class, learn more, and do better in school. A healthy breakfast also helps you to avoid feeling hungry. You can make better food choices when you eat lunch and have snacks later in the day. When you eat a healthy breakfast, you have more energy. This way you can enjoy doing more things. A healthy breakfast also helps your hands and eyes work together better, making it easier for you to play sports. So don't skip breakfast! It's a very important meal.
